

## Dow Jones STOXX® 600 Utilities [7500]

The Dow Jones STOXX Sector indices are available for global markets as well as for Europe and the Eurozone. Using the market standard ICB # Industry Classification Benchmark, companies are categorised according to their primary source of revenue. This categorisation guarantees a professional and accurate classification of companies in their respective business environments. There are four levels of classification ranging from broad to very detailed: 10 industries are broken down into 18 supersectors, 39 sectors and 104 subsectors.
